Dear RFLAUN Member,

Increase in Funeral Benefits

Following a recent market investigation conducted by the Trustees in terms of the costs of the insured death, disability, dread disease and funeral benefits currently being provided by the Fund, it was decided to **increase the funeral benefits effective the 1st of May 2026 as follows:**

- in the event of the death of the **Principal Member**, the amount that will be paid out increases from N\$ 42,000.00 to **N\$ 50,000.00**;
- in the event of the death of a **Qualifying Spouse**, the amount that will be paid out increases from N\$ 42,000.00 to **N\$ 50,000.00**;
- in the event of the death of a **Child aged 14 and over but younger than 21**, the amount that will be paid out increases from N\$ 42,000.00 to **N\$ 50,000.00**. If the child is still at school or studying (of which proof must be provided) then the cover will be extended until he/she reaches the age of **25**. If the child is physically or mentally disabled (again proof to be provided) then the funeral cover will be extended until the date that the Principal Member retires at age 60/65;
- in the event of the death of a **Child aged 6 and over but younger than 14**, the amount that will be paid out increases from N\$ 22,000.00 to **N\$ 30,000.00**; and
- in the event of the death of a **Child younger than 6 and including a stillborn baby**, the amount that will be paid remain unchanged at **N\$ 10,000.00**.

Please note that by law (Article 55 of the Long-Term Insurance Act) children younger than 6 may NOT receive a benefit of more than N\$ 10,000.00 and children between the ages of 6 and 14 may NOT receive a benefit of more than N\$ 30,000.00.

As indicated the increased funeral benefits already became effective the **1st of May 2026**.
